REFORBS

Customer Support Q&A Knowledge Base

Owner-provided operational information for the Reforbs website chatbot

Source: Website Content(1).docx supplied by the owner
Purpose: Answer customer questions about property categories, rent, deposits, rooms, inclusions, rules, locations, and contacts.
Knowledge mode: Deterministic PDF retrieval. No LLM or external chatbot API is required.

SOURCE CONTROL

This document follows the uploaded owner questionnaire and its Tables 1, 2, and 3. It does not silently replace missing facts with assumptions. Where the source is incomplete or potentially inconsistent, the chatbot must say so and refer the customer to the appropriate Reforbs representative.

Owner-supplied information only. Rates and policies should be reconfirmed by the sales team before a customer makes payment.

1. Instructions for the chatbot

Use this PDF as the primary source for customer-facing operational answers. Match the customer's question to the most relevant property, room type, and FAQ. Keep responses concise and answer all parts of a multi-part question.

Mandatory answer rules

• Detect the property name and room type before retrieving rent, deposit, amenities, or policies.

• Distinguish co-living, student accommodation, and company guesthouses. Park Island, Pillar Homes, and Suyog Enclave are company guesthouses and are not available as regular PGs; the source says employees of one dedicated company are allowed to stay.

• Do not apply one property's prices, food plan, laundry, AC, visitor rules, or couples policy to another property.

• Availability and booking questions must be referred to Reforbs staff. The PDF does not contain live inventory or move-in availability.

• Never invent a full address, Maps link, room inventory, private-room rate, due date, document requirement, helpline number, or visitor/overnight policy that is not stated.

• When a property or room option is marked NA or has zero beds, do not advertise it as available. Explain that no listed rate/availability is provided and refer to sales.

• Use the property-specific phone number for property enquiries. Use 7420040241 as the general sales number for availability, booking, price negotiation, and visits.

• When information is missing, use: "Kindly get in touch with our representative on below number - 7420040241."

• Display monthly amounts in INR. The source table labels these as rent starting at (Starts@); do not add taxes or unlisted charges.

Property categories

Category	Properties	Customer-facing handling
Co-Living	Nirvana, Moksha, Vipasna	Present as co-living options.
Student Accommodation	Shubh Gateway, Brindavan, Vairagya	Present as student accommodation with property-specific gender/visitor rules.
Company Guesthouse	Park Island, Pillar Homes, Suyog Enclave	Do not present as regular PGs; source says company employees only.

Core FAQ: What types of accommodation does Reforbs offer?

Reforbs' owner document lists co-living, student accommodation, and company guesthouses in Pune. The guesthouse category is distinct from regular PG/student accommodation.

2. Property and room-rate quick reference

Rates and deposits below are copied from Table 1. “Total beds” is the owner document’s label and must not be interpreted as room count or live availability.

16. Important source limitations and owner checks

These issues are present in the supplied owner document. The chatbot must not resolve them through guesses.

• Nirvana, Moksha, and Vipasna have distinct addresses but the same Google Maps URL is supplied for all three. Keep the supplied link but flag for owner verification.

• Vairagya has no full street address or Google Maps URL in the supplied document.

• Shubh Gateway private-room rows show 0 beds and rent NA, but deposit ₹40,000. Do not advertise a private-room rate or infer availability.

• Table 1 uses “Total Beds” for bed counts by room type. Do not interpret these as room counts or live vacant beds.

• The questionnaire says no additional charges, while optional paid laundry is listed for some properties. Explain paid laundry separately and do not invent its price.

• The shared helpline number for maintenance/emergencies is not supplied.

• No rent due date is provided.

• The exact documents required for booking are not provided.

• Whether customers can visit before payment is not directly answered.

• Overnight guest rules are not stated in detail. For Shubh Gateway, Brindavan, and Vairagya, the document explicitly says opposite-gender visitors are not allowed.

• The owner document says discount/special offers are to be discussed upon visit; it does not provide a guaranteed discount.

• Rates and deposits should be reviewed annually according to the questionnaire; live availability must always be confirmed with sales.
